

THE
RESOLUTION
PROJECT

2020
**Annual
Report**

GREENFAST

Protect the environment is everyone's responsibility

Responsibility

SWISH

First to Fund, First to Believe.

The Resolution Project funds, mentors, and supports young people who are looking to start their first social venture. We believe that activating young people through social entrepreneurship has an enormous impact—they become engaged early in making positive changes in the world, and the character of their leadership is defined by a sense of social responsibility.

IMPACT

By the Numbers

2,934,681

direct and indirect beneficiaries
of Fellow-implemented
social ventures

6,393

people are positively impacted
by 1 Fellow on average.

\$1,011,650

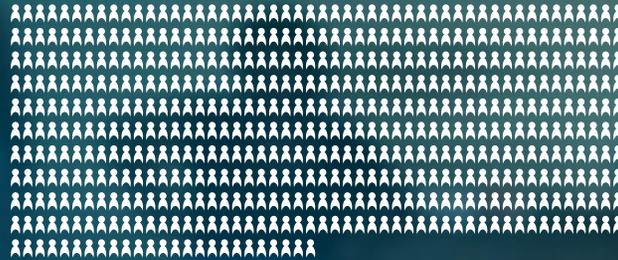

in total seed funding
issued to Fellow

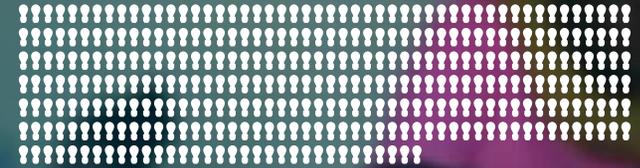

\$31,490,474

in total funding subsequently
earned by Fellows

546 Resolution Fellows*

333 Social Ventures

* This number includes Social Venture Challenge winners who have yet to be onboarded as Fellows.

80

Countries

21

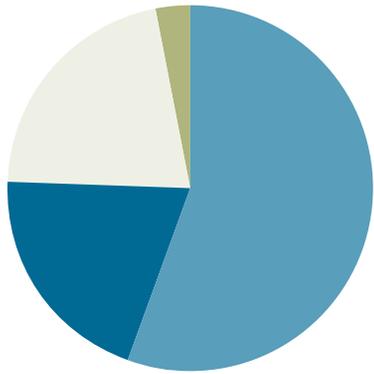

21 States and
the District of
Columbia

78%

of Fellows are
implementing their
ventures in their home
communities

Creating a Generation of Socially-Responsible Young Leaders.

Ventures started by Resolution Fellows

- 55% non-profit organization
- 20% for-profit organization

- .3% **Pacific Islander**
- .3% **Indigenous Persons**
- 1% **Prefer not to answer**

700,795

people fed

76,511

children gained access to improved education

12,216

people generated sustainable income through self-employment or new job opportunities

2020
**Year in
Review**

2020 has been a challenging year for our organization and for Resolution Fellows. Collectively, we have had to adapt, mobilize, and pivot our work in order to best service our respective communities during this year of change and crisis.

6

Social Venture Challenges hosted
(3 in-person and 3 virtual)

59

Winners of Social Venture Challenges

52

Guides elected to mentor Fellows

\$60,000

Distributed as part of a COVID-19 Emergency Relief Fund to assist with basic needs such as rent, food, and critical medical expenses. These funds reached 79 Fellows in 27 countries and 14 U.S. states.

2020

Fellows AMPing

Adapting, Mobilizing,
and Pivoting in response
to COVID-19.

Vivian Tsang

H.O.P.E. FOR SUCCESS

Vivian Tsang is the 24 year-old Founder and Director of The Humanitarian Organization for Providing Empowerment (H.O.P.E.) Initiative, an organization that provides peer-to-peer mentorship and outreach programs to help at-risk youth navigate the transition to post-secondary education.

In response to COVID-19, Vivian mobilized over 700 students at the University of British Columbia to perform para-clinic activities, including contact tracing, contactless grocery delivery service for the elderly, and general errand support for over 100 frontline physicians.

On the back of its success, Vivian has expanded this student-led COVID-19 response model to medical schools throughout Canada as well as in the US and Australia. For her work, Vivian was recognized with the prestigious 2020 Canadian Medical Association Young Leaders Award!

Universities Do Not Expect You to be PERFECT!

Most Common Mistakes:

- signing up for as many opportunities and activities as possible
- difficult to choose one experience over another
- too many responsibilities with few Achievements

Jorge Isaac Iglesias Bloise

EDUCATION IN PROGRESS

Jorge Isaac Iglesias Bloise is the 22 year-old Founder and President of Education in Progress, an organization that provides infrastructure, technology, training, and much-needed supplies to neglected schools in rural Panama. In response to the COVID-19 crisis in his country, Jorge organized the delivery of food and clothing to 35 adults, 15 children with disabilities, and 100 homeless people.

He also developed a proposal to help more than 800,000 students who had been affected by school closures across Panama and was recognized by His Excellency, the Minister of Education of Panama, for his proposal! He is also a newly-appointed World Economic Forum Global Shaper!

Christelle Kwizera

WATER ACCESS RWANDA

Christelle Kwizera is the 27 year-old Founder and Managing Director of Water Access Rwanda, an organization that provides clean, piped water to hundreds of households around Kigali, Rwanda.

In response to COVID-19, Christelle expanded Water Access Rwanda's efforts to provide clean drinking water access directly to 125 households (thereby reducing household exposure to COVID via public water taps). In addition, Christelle mobilized two rounds of food supplies from friends and family, enabling her to provide 72 families (306 people) with enough food and essentials for two weeks.

In ten years, Christelle plans to provide clean drinking water to 10 million people across Africa! Nick Jonas recently presented her with the 2020 Global Citizen Cisco Youth Leadership Award and its accompanying \$250,000 prize money!

Partnerships

"The idea of giving back to serve your community is an important aspect of the Mastercard Foundation Scholars Program, and we know that so many young leaders want the opportunity to start having an impact now."

– **ASHLEY COLLIER,**
LEAD OF NORTH
AMERICAN PARTNER
NETWORK

Increasing Our Investment in African Social Entrepreneurs

We extended our partnership with the Mastercard Foundation in an effort to continue to identify and support young social entrepreneurs across the African continent during the pandemic. This dynamic partnership, now in its fourth year, has served over 100 Mastercard Foundation Scholars, who have become Resolution Fellows, in turn unlocking over \$250,000 in micro-grants for African-owned, and led, social enterprises. Over the coming years, nearly 100 more young leaders will become Resolution Fellows, ensuring that the long-term ripple effect of community-led, positive impact continues to grow on the continent.

“What I love most about working at Deloitte is the investment in our people, through our world-class skills and training development programs, and our investment in the communities we serve. This new program with The Resolution Project really brings things full circle, expanding the reach of Deloitte’s skilled professionals by providing young change-makers with the support they need to make an impact in communities around the globe.”

– **TAKU MACHIRORI, RESOLUTION FELLOW & SENIOR CONSULTANT AT DELOITTE GERMANY**

Deloitte.

Deepening Our Pool of Volunteers

We announced a signature program with Deloitte Global to provide further support for young social entrepreneurs across the globe. Thousands of Deloitte Global professionals will have the opportunity to volunteer with The Resolution Project—from mentoring newly onboarded Fellows to providing subject-matter expertise for existing Fellows or acting as judges at Social Venture Challenges. In addition, dozens of Resolution Fellow ventures will be eligible for funding from Deloitte Global to help launch and scale projects in education, skills-building, and opportunity creation.

Expanding Our International Presence

We continued to expand our international community by launching our third Innovation Hub, this time in partnership with Social Collider, to help build a collaborative, co-working, and co-innovation community for impact organizations in Singapore. Resolution Innovation Hubs are a place for Resolution Fellows to meet, collaborate, and partner with their local communities and build local innovation ecosystems through events, partnerships, networking, skill-sharing, and other opportunities. Resolution Hubs are now located in Rwanda, Kenya, and Singapore.

Russ Neu, the Founder and CEO of Social Collider, James Tan, Managing Partner at Quest Ventures, Haziq Rashid, a Resolution Fellow and a co-founder of The Project Nomad, and George Tsiatis, Co-Founder & CEO of The Resolution Project, and Antonette White jointly launched the Singapore Innovation Hub in December 2020.

Looking forward: Ecosystem Building

In 2021, we plan to:

1

Identify, fund, and support young leaders who are launching front-line interventions to vulnerable communities all around the world, including through our first-ever Latin America Regional Social Venture Challenge competition.

2

Expand our social entrepreneurship ecosystem building efforts through our Innovation Hubs in Rwanda, Kenya, and Singapore, and increase investment in partnerships.

3

Invest specifically in Black social entrepreneurs in the US through our Fellowship, expanding access to follow-on capital, ecosystem building and community capacity expansion, and visibility for their work.
